**ORDER**

A concerned citizen recently informed the Court that he received a mail notice about the settlement of this case which included a defective website link. The attached Exhibit A features a scan of the entire mail notice. Exhibit B includes a higher resolution scan of the defective website link on the mail notice. As evidenced in Exhibits A and B, the faulty mail notice directed this citizen to bagsfeesettlement.com. However, the correct settlement website for this case is actually bagfeesettlement.com. Furthermore, the Court ascertained that bagsfeesettlement.com is a malicious webpage.

The Parties are **ORDERED** to file a Joint Status Report addressing this development. In addition to any other information that the Parties deem relevant, the Parties **SHALL** answer:

- 1.) Did the Parties send this mail notice with the defective website link?
- 2.) If the Parties did send defective mail notices, how many potential claimants have been affected?

The Joint Status Report **SHALL** be filed by **February 16, 2023**.

**SO ORDERED** on this **9th day of February, 2023**.
